Highlights

Titanium blades

Get a perfect yet protective trim with self-sharpening titanium-coated steel blades created for long-lasting performance, time after time.

24 lock-in length settings

Turn the zoom wheel to simply select and lock in the length you want, with 23 length settings from 1 to 23mm, and precisely 1mm between each length. Or you can use it without the comb for a close 0.5mm trim.

Easy to clean

Simply click open the detachable head to quickly release and wash the blades.
