Cut your family's hair

with our quietest clipper for both adults and kids

Cutting your family's hair has never been easier. This clipper offers a powerful, yet ultra-silent motor, an ergonomic design, and skin-friendly blades and comb tips, as well as the ultimate convenience of cordless power.

Easy to use

- Adjusts to different length settings
- Making light work of family haircuts
- 60 minutes of cordless use after an 8-hour charge
- Quick release blades for easy cleaning

Best performance that feels great

- Rounded combs to prevent tugging and irritation
- Quiet and powerful performance

Built to last

- 2-year guarantee, worldwide voltage
- The blades never need oiling
- Long-lasting performance

PHILIPS

family hair clipper
Stainless steel blades 11 length settings, 60mins cordless use/8h charge

QC5130/15

Highlights

11 lock-in length settings

Cut your hair to the exact length you want. Just select one of 11 length settings between 3mm and 21mm at 2mm increments, or remove the comb for a close 0.5mm trim.

Ultra-quiet

Philips clippers that are family friendly, they have all the performance without the disturbance. Its smooth motor is engineered for power with reduced vibration—to help keep the calm while clipping.

Skin-friendly combs and blades

The blades and combs on this hair cutter have rounded tips for a safe, smooth haircut.

Self-sharpening steel blades

The self-sharpening steel blades on this hair clipper are designed to deliver consistent results, time after time.

Compact and lightweight

The ideal hair cutter for kids, this family-friendly clipper is ergonomically designed, super lightweight and easy to use.

Corded & powerful cordless use

Use the clipper corded or cordless for maximum power and freedom, with 60 minutes of cordless power after 8 hours of charging.

Easy to clean

Clean your electric hair clippers with ease. Simply click open the head to release and clean the blades.

Built to last

All of our grooming products are built to last. They come with a 2-year worldwide guarantee and worldwide voltage compatibility.

Zero maintenance

Clipping power that's easy to maintain—our blades never need oiling.
