Highlights

Floating Heads + ReflexAction

Independently floating heads ensure comfortable skin contact while the reflex action system automatically adjusts to the curves of your face and neck.

Lift & Cut

This unique dual blade system gently lifts hair into position for an incredibly close cut.

Lift & Cut

This unique Philips HQ912 dual blade system gently lifts hair into position for an incredibly close cut.

Self-sharpening blades

The blades sharpen themselves with each use to ensure a clean, close shave every time.

Anti-slip grip

The soft-touch slim fit handle with ribbed grips are designed to fit comfortably in your hand for maximum control.

Slim fit handle

Slim design fits comfortably in your hand

Washable shaver

The water resistant Philips shaver can be easily rinsed under the tap.
