Highlights

Size and shape

Perfect size and shape to easily reach all face areas

Click-on brush head

Simply click on or click off the brush head. Easy to fit, our brush heads are compatible across all Visapure models.

Long operating time

For optimal results, replace the brush every three months

Brush Bristles

The specially designed filaments are even thinner and softer than those of the normal brush head to deliver an even softer and delicate cleansing experience specific for sensitive skin.

Designed for optimal hygiene

The silky soft bristle material of all our VisaPure brush heads is a specially chosen, delicate nylon. This helps to ensure the brush heads are super easy to clean and keep fresh.
