Highlights

High performance trimmer

Create perfect stubble or clean lines around the edge of your beard. The full metal guard on this high performance trimmer delivers a professional look.

Detail trimmer

Create the fine lines and details that define your style with the 21mm precision trimmer.

Nose trimmer

Easily and comfortably remove unwanted hairs from your ears and nose with this clip-on rotary trimmer.

Hair-clipping comb

Keep your hair neat and styled at the length you prefer by selecting between 18 different length settings on the hair-clipping comb, in 3/20"/1mm steps.

Water resistant

Simply rinse this groomer under the faucet for easy cleaning after each use.

Lithium-ion cordless

A high performance Lithium-ion battery gives you 60 minutes of use after only 1 hour charge. Also features a 5 minute quick-charge for one complete trim.

Turbo power

Get fast results on thick hair with the turbo setting, which increases cutting speed.

High-performance blades

Guaranteed best results with precision heat-treated blades made of finely ground Chromium steel. Self-sharpening blades ensure long-lasting performance while rounded blade tips and combs prevent skin irritation.

Storage box & travel pouch

Reduce clutter in the home with the storage box; convenient travel pouch holds and protects your multigroomer when you're on the go.

Cordless and corded use

Use the product cordless or plug it into mains to finish off your styling if you run out of battery.

Beard comb

Keep your beard at the length you prefer. Choose from 18 length settings in 1mm steps (1-18mm) by using the beard and mustache comb on the full-sized trimmer.
