Thermoprotect 57°C

SalonShine

Protect your hair but still get professional drying results with the SalonShine hairdryer. ThermoProtect retains a constant caring temperature of 57°C, looking after your hair during drying.

Easy to use

- 1.8 m power cord
- Easy storage hook for convenient storage
- Foldable handle for easy portability
- Comb diffuser for easy styling

Beautifully styled hair

- 1200W gentle drying for beautiful results
- Narrow concentrator for focused airflow
- Six flexible speed and temperature settings for full control

Less Hair Damage

- EHD+ technology for more protection and shinier results
- ThermoProtect for a constant caring temperature of 57°C

Long lasting styles

- Cool Shot sets your style
- Cold air setting for gentle drying

PHILIPS

Highlights

1200W

This 1200W hairdryer creates the optimum level of airflow and gentle drying power for beautiful results every day.

Six flexible speed settings

The speed and heat required can be easily adjusted to create the perfect style. Six different settings ensure full control for precise and tailored styling.

Narrow concentrator

The concentrator of the hair dryer works by focusing the flow of air through the opening onto specific areas. This results in precise styling and is great for touch ups or to finish a hair style.

EHD+ technology

Advanced Philips EHD+ technology means that your dryer will always distribute the heat very evenly - even at high temperatures, and prevents damaging hot spots. This gives added protection and thus helps to keep your hair healthy and shiny.

Thermoprotect 57 C

Built in protection for hair, Thermoprotect retains a constant caring temperature of 57°C. This allows you to quickly dry your hair without overdrying, maintaining your hair's natural moisture level, for shiny healthy looking hair.

Cool Shot

A must-have professional function for hair stylists. The Cool Shot button provides an intense burst of cold air. It is used after styling to finish and set the style.

Cold air setting

A cold air setting is a low heat setting that gently dries the hair to minimize damage. This function is suitable for all hair types, but especially for fine, dry or damaged hair. It is a perfect setting for the hot summer season!

Foldable handle

This hairdryer benefits from a foldable handle. The result is a small, compact hair dryer that will easily pack into the smallest spaces and you can take virtually anywhere.

Specifications

Technical specifications

- Color/finishing: Combination of ballet pink and cloud dancer white
- Voltage: 220-240 V
- Power: 1200 W
- Cord length: 1.8 m
- Material housing: ABS

Weight and dimensions F-box

- Net product dimensions excl. attachments: 151x77x236 mm
- F-box dimensions: 258x94x218 mm
- Weight of net product incl. attachments: 429 g
- F-box weight (including product): 576 g
- F-box volume (cm³): 5287

Pallet

- Number of layers: 8

- Pallet dimensions: 1200x800x2048 mm
- Number of A-boxes per layer: 4
- Pallet quantity: 256 pcs

Weight and dimensions A-box

- Number of F-boxes in A-box: 8
- A-box dimensions: 530x394x238 mm
- A-box weight (including products): 5408 g
- A-box volume (cm³): 49699

Serviceability

- Replacement
