- Keratin infusion for better care
- 210°C professional temperature for perfect salon results

### Care and protect

- ThermoProtect attachment

### Powerful drying

- 1600W of drying power
- Cool air setting to finish your style

# Highlights

## 1600W of drying power

This 1600W hair dryer creates the optimum level of airflow, for beautiful results every day.

## ThermoProtect attachment

The uniquely-designed ThermoProtect attachment powerfully mixes warm and cool air for everyday care. It drops the temperature by 15°C while still drying your hair quickly.

## Foldable handle

The compact design with foldable handle makes it easy to pack, store and take the hair dryer with you anywhere you go.

## 3 heat and speed settings

This hairdryer offers 3 preselected heat/speed combinations, making it quick and easy to achieve the perfect style.

## Cool air setting

The cool air setting provides a burst of cold air to finish and hold your style.

## 14 mm styling nozzle

The slim nozzle precisely focuses the air, for quick touch-ups and perfecting small details of your style.

## Keratin infusion

Keratin is the hair's essential ingredient which makes them strong, healthy and gorgeous looking. The ceramic is enriched with keratin to even better take care of your hair.

## 210°C styling temperature

This styling temperature enables you change the shape of your hair, and gives you that perfect look like you've just come from the salon.

## Rapid heat-up

The straightener has a fast heat-up time, being ready to use in 60 seconds.

## Cool Tip

The tip of the styler is made from a special heat insulating material to keep it cool. You can safely hold it while you're curling to create beautiful curls, waves and bouncy styles.

## Swivel cord

The swivel cord technology conveniently rotates the cord and prevents unnecessary tangles.
