# Highlights

## V-Track precision blade system

Get the perfect close shave. The V-Track Precision Blades gently position each hair in the best cutting position, even the flat laying and different length of hairs. Cuts 30% closer in less strokes leaving your skin in great condition.

## 8-direction ContourDetectHeads

Follow every contour of your face and neck with 8-directional ContourDetect heads. You'll catch 20% more hairs with every pass. Resulting in an extremely close, smooth shave.

## Personal comfort settings

Choose between 3 modes to customize your shave: Sensitive – for a gentle, yet thorough shave. Normal – for a thorough, everyday shave. Fast – for a quick shave that saves you time.

## Aquatec Wet & Dry

Choose how you prefer to shave. With the Aquatec Wet & Dry seal, you can opt for a quick yet comfortable dry shave. Or you can shave wet – with gel or foam – even under the shower.

## SmartClean System PLUS

At the touch of a button SmartClean PLUS cleans, lubricates, dries and charges your shaver, so it'll perform at its best every day.

## SmartClick precision trimmer

Click on our skin-friendly Precision Trimmer to finish your look. It's ideal for maintaining your mustache and trimming your sideburns.

## 5 level LED display

You can easily see how much power is left with the 5-level LED display. Your Philips close shaver will not only tell you when it's time to charge, it has indicators for locking, cleaning and replacing the head.

## 50 minutes of cordless shaving

Our advanced charging system gives you two convenient options: charge for one hour and you'll get 50 minutes of running time, or do a quick charge for one full shave. All 9000 Series Shavers contain a powerful energy-efficient, long-lasting lithium-ion battery. They are designed to operate only in cordless mode, to ensure you'll always be safe when shaving with water, even under the shower.

## Fully washable shaver

Simply open the shaver head to rinse it thoroughly under the tap.
