- 1000W power for gentle drying

Highlights

1000W for Gentle Drying

This Philips DryCare 1000W hairdryer creates the optimal level of airflow and gentle drying for beautiful results everyday.

2 flexible speed settings

This hairdryer offers 2 pre-selected speed/heat combinations to make it quick and easy to achieve the perfect style.

Foldable handle

This hairdryer has foldable handle, making it easy to pack, store and take with you anywhere you go.

Narrow Concentrator

The concentrator focuses airflow through the opening to specific areas. This results in better touch-ups or more precise styling to finish your look.

Compact design

Compact and ergonomic, this hairdryer benefits from a clever modern design. This results in a dryer that is light and easy to handle yet small enough to store virtually anywhere.

1.5 m cord length

1.5 meter cord for maximum flexibility.

2 years guarantee

2 years of worldwide guarantee.

Cool air setting

The cool air setting allows you to dry your hair at a more caring temperature, perfect for gentle drying and minimizing damage during the hot summer seasons.
