## Highlights

### Dual Filter system

The Dual Filter system cleans hair, foam and gel. The unique double filter prevents hairs from clogging your shaving heads, maintaining your shaver's excellent performance.

### Active lubrication

The active lubrication system reduces friction and wear on shaving heads and blades, keeping your shaver performing as new for longer.

### More effective than water

The DualFiltration system and active lubrication leave your shaver up to 10 times cleaner than with water alone

### Skin-friendly formula

The alcohol-free, skin-friendly formula gives you a fresh and hygienic shave, and it is designed to protect against skin irritation

### Fresh scent

The new cartridge liquid for the SmartClean system has a unique formula and a pleasant fragrance. It hygienically cleans your shaver, while leaving a fresh scent on your shaving heads.
