Wet & Dry epilator

BRE700/00

## Highlights

### Smoothness for up to 4 weeks

Double Action Technology synchronizes long ceramic tweezers in continued actions to firmly grip and remove hairs as short as 0.5mm. The wide epilator head with 50% longer tweezers removes more hair in one go\*. Get ready for smooth, hassle-free weeks ahead.

### Our fastest epilator

Our tweezers also rotate faster per minute than Braun Silk-épil 9.

### Engineered to be gentle

32 ceramic tweezers made of hypoallergenic material for a comfortable treatment. They easily glide over your skin with less friction and more skin contact\*. Feels great on the skin, say 91% of women\*\*.

### Extra comfort in warm water

Our epilator is equipped with a Wet & Dry function for an even gentler epilation. Warm water relaxes your skin and makes the treatment more comfortable.

### Handle with ease

Enjoy a firm and comfortable grip with the ergonomic S-shaped handle. Also cordless for maximum control and better reach all over your body.

### Spot even the finest hairs

Spot even the finest hairs with the embedded Opti-light, close enough to your skin to catch the remaining hairs.

### An effortless epilation

Epilate with ease using the optimal contact cap. It gently stretches the area you're treating to reduce skin pulling and discomfort.

### For delicate areas

For extra gentleness on your face, underarms, and bikini area, use the delicate area cap to easily remove unwanted hairs.
