Highlights

Stainless steel blades

Self-sharpening stainless steel blades for long-lasting sharpness.

13 lock-in length settings

Simply select and lock in the length you want with the adjustable comb which provides 12 lock-in length settings from 1mm to 23mm, with precisely 2mm between each length. Or you can use it without the comb for a close 0.5mm trim.

Efficient corded use

Power cord provides constant power.

Easy to clean

Simply click open the detachable head to quickly release and wash the blades.
