# Highlights

## 1600W of drying power

This 1600W hair dryer creates the optimum level of airflow, for beautiful results every day.

## ThermoProtect attachment

The uniquely-designed ThermoProtect attachment powerfully mixes warm and cool air for everyday care. It drops the temperature by 10°C while still drying your hair quickly.

## 3 heat and speed settings

This hairdryer offers 3 preselected heat/speed combinations, making it quick and easy to achieve the perfect style.

## Cool air setting

The cool air setting provides a burst of cold air to finish and hold your style.

## 14 mm styling nozzle

The slim nozzle precisely focuses the air, for quick touch-ups and perfecting small details of your style.
