Highlights

DualCut technology

This all-in-one hair trimmer features Advanced DualCut Technology for maximum precision. It comes with double blades, and is designed to stay as sharp as day 1.

7 tools for face

This all-in-one trimmer conveniently trims and styles your facial hair.

Full-metal trimmer

Create clean, straight lines and evenly trim through the thickest hair thanks to the body and beard trimmer's precise steel blades. These non-corrosive blades won't rust, and they self-sharpen to last longer.

Precision shaver

Use the precision shaver after trimming, to perfect the edges of your cheeks, chin and neck.

Full-metal detailer

The narrow design of the steel precision groomer makes it easy to precisely edge and finish small details.

Nose and ear trimmer

Avoid nicks and cuts, as the all-in-one trimmer quickly removes unwanted nose and ear hair.

3 Impact-resistant combs

2 stubble combs (1,2 mm) and 1 adjustable beard comb (3-7 mm).

Up to 3 hour runtime

Tackle hair on any part of your body with a single charge. This Philips trimmer has a powerful battery that can be used for 3 hours on a single 1-hr charge.

Soft rubber grip

Your trimmer is easy to hold and manoeuvre, with a rubber ergonomic grip for more controlled trimming.

Rinseable attachments

Your face and body trimmer is simple to maintain, with non-corrosive blades and water-resistant guards for easy cleaning.
