- 40 minutes of cordless shaving from an 1-hour charge
- Choose a convenient dry or refreshing wet shave
- Designed for optimum handling
- Water-resistant for easy cleaning
- 1-level battery indicator to get the best from the shaver

Skin comfort

- Floating shaving heads adjust to your face and neck curves

Get the most out of your shaver

- A 5-minute power boost for short notice shaving

A clean shave

- 27 self-sharpening blades stay sharp and prevent irritation
- Protective cap avoids getting irritation and nick and cuts

Highlights

Skin guard technology

Protective cap that comes between the rotative blades and your face to avoid getting irritation and nick and cuts.

40 minutes of cordless shaving

Shave cordlessly for up to 40 minutes after an 1-hour charge. This shaver only operates in cordless mode.

Ergonomic design

Handle your Philips shaver with confidence thanks to an ergonomic design created for optimum grip.

27 self-sharpening blades

Keeps rotating against the cap to guarantee the blades stay sharp and prevent from irritating your skin.

5-minute quick charge

In a hurry? Just plug in your shaver for 5 minutes and get enough power for 1 full shave.

ContourFlex

The shaver heads float in different directions for an improved hair catching even in areas difficult to reach.

Shave wet or dry

A wet and dry shaver that adapts to your preference. Choose a convenient dry shave, or pair with your favourite foam or gel for a refreshing wet shave.

1-level battery indicator

Use the intuitive indicator to see when the shaver battery is low.

IPX7 water-resistant

An electric shaver you can clean without worry. The IPX7 rating means it can be safely submerged in up to 1 metre of water for up to 30 minutes.
