

Philips SalonDry Pro
Hairdryer

2200W

HP4991/00

The dryer hairdressers would use at home

SalonDry Pro 2200W

Want to dry your hair like the professionals? The SalonDry Pro – with 2200W of superior drying power – is the hairdryer you need if you're looking to recreate that salon style blow dry.

Easy to use

- Easy storage hook for convenient storage

Beautifully styled hair

- Ultra narrow concentrator for precise styling
- Professional 2200W for perfect salon results
- Cool Shot sets your style

Less Hair Damage

- More Care with ion conditioning for shiny, frizz-free hair
- More Care with ceramic elements, providing far infrared heat

PHILIPS

Highlights

Ultra narrow concentrator 15mm

The concentrator works by directing the flow of air through the ultra narrow opening on to specific areas. This results in very precise styling and is great for touch ups or to finish a style.

Professional 2200W

This 2200W professional hairdryer creates a powerful airflow. The resulting combination of power and speed makes drying and styling your hair quicker and easier.

Cool Shot

A must-have professional function for hair stylists. The Cool Shot button provides an intense burst of cold air. It is used after styling to finish and set the style.

Easy storage hook

The rubberised hook is located at the base of the handle and provides another storage option, particularly convenient for use in the home or when staying at a hotel.

More care with Ceramic element

The ceramic element issues far infrared heat, which has a gentle warmth that helps dry your hair from within and protects it from over-drying, without compromising on speed and effectiveness.

Ionic Care

Ionic conditioning enables anti-static drying. Charged negative ions eliminate static hair, condition the hair and smooth down the hair cuticles to intensify the hair's shine and glossiness. The result is smooth and frizz-free hair that shines beautifully.
