Epilator with Skin Perfect system

Philips SatinSoft epilator with skin care system protects the skin against pulling and maximises hygiene. Wet&Dry, for a comfortable use during your shower routine. Includes a shaving head with trimming comb.

Smooth skin

- Gentle tweezing discs remove hair without pulling skin

Beautiful skin

- Exfoliation brush to reveal even more radiant skin.
- Vibrating massage bar stimulates your skin

Comfortable epilation

- Choose the right speed according to your needs
- Fully washable epilation head for optimal hygiene
- Wet & Dry for use in and out of the shower

Sensitive area solutions

- Shaving head perfectly follows contours for a smooth shave
- Sensitive area cap for delicate skin

Highlights

Exfoliation brush

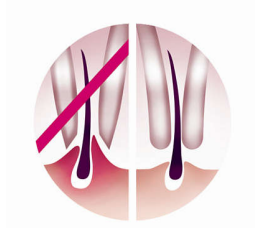

Unique Philips design which contains hypo-allergenic bristles for optimal hygiene, fits perfectly in your hand for optimal handling in all conditions and can be used wet & dry.

Massage attachment

Gently vibrating massage bar stimulates and soothes the skin for a pleasant epilation process.

Gentle tweezing discs

This epilator has gentle tweezing discs to remove hair without pulling the skin.

Wet & Dry

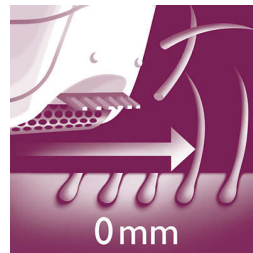

For wet and dry usage.

Two speed settings

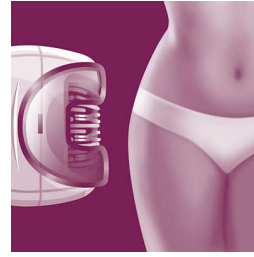

This epilator has two speed settings. Speed 1 for extra gentle epilation and speed 2 for extra efficient epilation

Shaving head with comb

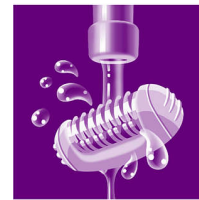

Detachable shaving head perfectly follows the contours of your bikini line or underarms for a close and smooth shave. Comes with trimming comb.

Sensitive area cap

This epilator has a sensitive area cap. Specifically adapted for more sensitive skin, allowing for gentle epilation in delicate areas

Washable head

The head can be detached and cleaned under running water for better hygiene.
