# Highlights

## Linear motor

The Philips hair clipper is designed with a linear motor for constant, durable cutting power, time after time.

## For hair & face

The Philips clipper gives you freedom to shape hair and beard styles, even up to a clean shave.

## Stainless steel blades

Philips steel blades are designed to withstand chip and cracks, lasting up to 4 times longer\*.

## 2-year worldwide guarantee

All of our grooming products are built to last. They come with a 2 year warranty, never need to be oiled and are compatible with any voltage worldwide.

## Adjustable blades

With a convenient thumb lever adjustment the blades can be set to achieve a bold cut as well as stubble trim without using a comb. Additional combs will give you additional freedom to play with multiple hair styles.

## Non-slip grip

A smart textured handle for a comfortable grip.

## Long cord

The 2.4m long cord gives you a great reach to easily move around while clipping.

## Less cuts

The tips of the Philips blades are designed to reduce the risk of cuts while clipping your hair or beard.

## Less bumps

The Philips clipper is designed to ensure less bumps while creating your own unique style. Making you feel proud and confident.

## 4 click-on hair combs

The clipper comes with 4 click-on hair combs. Select a desired length with each different comb and achieve a consistent smooth, even trim, time after time.
