Highlights

DualCut technology

This all-in-one hair trimmer features advanced DualCut Technology for maximum precision. It comes with double blades, and is designed to stay as sharp as day 1.

13 tools for face, hair & body

The Philips Multigroom all-in-one hair trimmer comes with 13 attachments to provide a full-body grooming solution.

Full-metal trimmer

Create clean, straight lines and evenly trim through the thickest hair thanks to the body and beard trimmer's precise steel blades. These non-corrosive blades won't rust, and they self-sharpen to last longer.

Bodyshaver with skin protector

Shave comfortably below the neck, with our unique skin protector system that guards even your most sensitive body areas and lets you shave to a closeness of 0.5mm

Full-metal detailer

The narrow design of the steel precision groomer makes it easy to precisely edge and finish small details.

Nose and ear trimmer

Avoid nicks and cuts, as the all-in-one trimmer quickly removes unwanted nose and ear hair.

8 Impact-resistant combs

Quickly touch up your face and hair with the eight reinforced cutting guards. 2 stubble combs for 1mm and 2mm trimming, an adjustable beard comb, 3 hair combs at 9mm, 12mm and 16mm, and 2 body combs for 3mm and 5mm grooming.

Up to 120 minutes run time

This Philips trimmer gives you up to 120 minutes of cordless use from a single 1-hour charge. A quick 5-minute charge provides enough power for one full trim.

Soft rubber grip

Your trimmer is easy to hold and manoeuvre, with a rubber ergonomic grip for more controlled trimming.
