- 1.8 m power cord

Beautifully styled hair

- Up to 210°C for perfect results

Less hair damage

- 9 digital temperature settings for absolute control
- Unique Curl Ready Indicator prevents hair overheating

PHILIPS

Highlights

Curl Ready Indicator

Unique Curl Ready Indicator lets you know when your curl is ready by giving a “beep” signal. This innovative feature helps you get beautiful curls and waves while helping prevent hair overheating. You can always style without using it if you prefer other styling times.

Up to 210°C

High temperature enables you to change the shape of your hair and get the curly look you want.

Digital temperature settings

Digital display with 9 temperature settings gives you absolute control to adjust temperature to your hair type for damage prevention.

Longer barrel

This curler has long barrel of 160mm, ideal for curling long or thick hair.

Safety stand

The safety stand enables you to put the curler down safely during use

Fast heat up time

This styler has a fast heat up time, being ready to use in 45 seconds.

Key-lock function

You are always in control. No more accidental temperature change with the key-lock function.

Swivel cord

Useful swivel cord technology rotates the cord to prevent tangled wires.

1.8 m cord

Convenient to use thanks to the 1.8m power cord length.
