Highlights

Efficient root hair removal

Our epilators have uniquely designed precision discs that catch even the shortest hairs (0.5mm). That's hairs 4 x shorter than with wax, for up to 4 weeks of hair-free skin.

Epilator for legs & arms

The Satinelle epilator has a large head for fast epilation on legs and arms. Its rounded shape fits perfectly into your hand for comfortable hair removal.

Cordless mini epilator

The mini epilator has a narrow head specifically designed to catch hairs in hard to reach areas without pulling skin. It's battery operated for maximum convenience.

Precise face tweezer solution

The set comes with matching tweezers ideal for removing hairs on face (upper lip, jaws) or for shaping eyebrows.

Easy cleaning

A cleaning brush is included to remove loose hairs from epilator discs. Washable epilation heads ensure hygiene.
