Perfect beard and stubble, less mess

The only stubble trimmer with a vacuum system

This Philips vacuum trimmer is equipped to conveniently deliver a superior trimming performance as it vacuums beard hairs while trimming.

Best performance that feels great

- Contour following comb for speed and comfort
- SteelWave self-sharpening blades for precise results

Brings maximum ease of use

- Clear view hair chamber for visual control

Create the look you want

- Precision detail trimmer to create and maintain your lines

Provides optimal power

- Turbo power boost button boosts cutting and fan speed
- Vacuum system captures cut hairs for mess-free trimming

Precise and even trim

- 9 lock-in length settings

PHILIPS

Highlights

9 lock-in length settings

Locks into a choice of 9 beard length settings.

Clear view hair chamber

Transparent hair chamber makes it easy to see when the chamber needs to be emptied.

Contour following comb

The contour following comb adjusts to every curve to give fast and comfortable results.

Precision detail trimmer

Create any style you want with precision.

Self-sharpening blades

Revolutionary wave-shaped, self-sharpening blades channel and cut hair for a precise and even result.

Turbo power boost button

When greater suction power and increased cutting speed is desired while trimming, simply press the Turbo Power Button.

Integrated vacuum system

The integrated vacuum mechanism absorbs cut-off hairs during use and gives you a cleaner washbasin after use.
