Highlights

ProtecTube technology

With the revolutionary ProtecTube technology, the cutter is protected by an ultra-thin foil guard with rounded tips to prevent skin irritations. In addition, the cutter is designed to prevent hair from getting caught between two separately moving cutting blades, for guaranteed no pulling.

Ideal angle

The Philips nose trimmer has been engineered so that it is perfectly angled to easily reach hair inside the ear and nose. With the Philips nose trimmer, you can be sure that all unwanted hairs will be removed efficiently.

Powerful cutting system

Both cutter and guard have ultra precise and sharp cutting slots to ensure all hairs are quickly and effectively cut.

Water resistant

The trimmer is easy to clean under the tap and can be used in the shower.
