# Beardtrimmer series 5000

0.2mm precision settings

Self-sharpening metal blades

90 min cordless use/1h charge

Lift & Trim PRO system

BT5515/13

## Even length at every angle

2x more precision with Lift & Trim PRO system

The even and precise trim you want when creating your 3-day stubble, short or long beard look. Our innovative Lift & Trim PRO system lifts the hairs up to the level of the double-sharpened blades for a one pass even trim.

### Easy to use

- Easy but thorough cleaning
- Warranty for purchase protection
- Cordless use for up to 90 mins
- Lights indicate when battery is low, empty, full or charging

#### **Even trimming results**

- Trims evenly and captures low-lying hairs
- Self-sharpening blades for zero maintenance
- The precise beard trimmer for perfect edges

### **Precise styling**

- Adjusts to different length settings
- A precision step to match every beard

Beard trimmer BT5515/13

## Highlights

#### Lift & Trim PRO system

Stubble doesn't stand a chance. The Lift&Trim Pro system captures all your low-lying hairs and lifts them up toward the blades for a precise cut — whilst still being an ideal trimmer for long beards too.

#### Self-sharpening metal blades

Suitable for even the thickest hair, the double-sharpened blades guarantee precision edges and superior trimming every time. No oil or replacement blades required.

### 40 lock-in length settings

Cut to the exact length you're after. Just spin the precision dial to one of 40 length settings between 0.4-10 mm in 0.2mm increments.

### **Customizable precision**

Personalise your grooming routine with precise styling steps to suit every beard. There are 0.2mm steps between 0.4-2mm for short beard styling, 0.5mm steps between 2-5mm to achieve an even 3-day beard 1mm steps above 5mm for long beard maintenance.

#### **Precision trimmer**

Add extra definition to the details, even in hard to reach areas, with the click-on precision trimmer.

### 90 min corded/cordless use

Don't get tangled up in your stubble trimmer – a 1 hour charge provides up to 90 minutes of cordless grooming time. Or keep it plugged in for uninterrupted trimming. The 5 minute quick charge function gives you enough power for one trim.

#### 100% waterproof

The 100% waterproof beard trimmer, simply rinse it under the tap for a thorough, easy clean.

#### **Battery indicators**

The battery indicators in this trimmer let you know what your battery status is: Low, empty, charging or full. This way, you can charge your trimmer on time and fully, so you won't end up with an empty battery in the middle of your trim.

#### **Built to last**

All of our grooming products are built to last. They come with a 2 year warranty, never need to be oiled and are compatible with any voltage worldwide.
