# Highlights

## Floating Heads + ReflexAction

Independently floating heads ensure comfortable skin contact while the reflex action system automatically adjusts to the curves of your face and neck.

## Lift & Cut

This unique dual blade system gently lifts hair into position for an incredibly close cut.

## Self-sharpening blades

The blades sharpen themselves with each use to ensure a clean, close shave every time.

## Anti-slip grip

The soft-touch slim fit handle with ribbed grips are designed to fit comfortably in your hand for maximum control.

## Slim fit handle

Slim design fits comfortably in your hand

## Washable shaver

The water resistant Philips shaver can be easily rinsed under the tap.
