Perfectly smooth skin for weeks

Effectively removes hair, respects your skin

Try out epilation with this new Philips system, removing hairs from the root, leaving your skin silky smooth for weeks, not days. Comes with a unique set of first-time user attachments, which help you achieve the best results.

Skin comfort

- This epilation system removes hairs as short as 0.5 mm

Optimal ease of use

- Choose the right speed according to your needs
- Fully washable epilation head for better hygiene

Perfect epilation starter set

- Sensitive cap for delicate skin
- Double waved massage roller for extra gentle epilation

Highlights

Hypo-allergenic

Additionally, the hypo-allergenic discs assure optimal hygiene.

Washable epilation head

The head can be detached and cleaned under running water for better hygiene

Double waved massage roller

Minimises the pulling sensation and soothes the skin after epilation

Sensitive cap

Specifically adapted for more sensitive skin, allowing for gentle epilation in delicate areas.

Two speed settings

This epilator has two speed settings: speed 1 for extra-gentle epilation and speed 2 for extra-efficient epilation
