Highlights

USB charging

Includes a USB cable for convenient charging (adapter not included).

60 min cordless use

Features the convenience of USB charging, for 60 minutes of cordless use.

Battery indicators

The device features a light, which indicates when the battery is low or charging. The low-battery indicator helps ensure you don't run out of a charge mid-trim.

Skin-friendly blades

Get smooth contact with the skin, as the blades have rounded tips that prevent scratches and irritation.

Travel lock

The travel lock prevents the appliance from being switched on by accident.

Ergonomic design

A fast trimmer that's comfortable to hold and use. So you can handle those hard-to-reach areas more easily.

Built to last

All of our grooming products are built to last. They come with a 2 year warranty, never need to be oiled and are compatible with any voltage worldwide.
