PHILIPS

Highlights

Gentle drying power 1000W

This 1000W hairdryer creates the optimum level of airflow and gentle drying power for beautiful results every day.

Compact design

Compact and ergonomic, this hairdryer benefits from a clever modern design. This results in a dryer that is light and easy to handle yet small enough to store virtually anywhere.

Careful drying

This compact hair dryer offers you 2 pre-selected heat & speed combinations for an easy, quick and caring blow dry.

210°C professional high heat

This high temperature enables you to change the shape of your hair and gives you that perfect look you want.

Ceramic plates

Ceramic is microscopically smooth and durable by nature, and is therefore one of the best materials for straightening plates. The ceramic plates are carefully processed to enhance the gliding and caring properties, giving you perfect shiny hair.

Fast heat up time

The straightener has a fast heat up time, being ready to use in 60 seconds
