## Professional results for every style

### SalonStraight Freestyle

Want to count the ways to get great styles? The SalonStraight Freestyle has three versatile ceramic styling attachments. Perfect for creating all the styles you can think of...and more.

#### **Ease of use**

- Swivel cord to prevent tangled wires
- Easy release buttons for changing attachments

#### **Beautifully styled hair**

- Detail styler for volume in layered styles
- Straightener for poker straight styles
- Slim styler for twists and flicks

#### **Less hair damage**

- Ceramic coating for ultra-smooth gliding

#### **Long-lasting styles**

- Professional temperature for perfect and longlasting results

# Highlights

## Professional styling temp

Professional temperature for perfect and longlasting results

## Ceramic coating

The smooth ceramic coated plates prevent damage to your hair during styling.

## Swivel cord

Useful swivel cord technology rotates the cord to prevent tangled wires.

## Easy release buttons

Easy release buttons for changing attachments

## Straightener

With the straightening attachment you can create the poker straight style you want.

## Slim styler

With the slim styling attachment you can create fashionable twists and flicks.

## Detail styler

With the detail styling attachment you can style your hair from the roots and create volume in layered styles.
