- 1.8 m power cord
- Easy lock for convenient storage
- Universal voltage
- Fast heat up time, ready to use in 30 seconds
- Swivel cord to prevent tangled wires

**PHILIPS**

# Highlights

## Wide plates

These extra wide straightening plates have been designed specifically for thick or long hair. The increased plate width can straighten more hair in one go and will help to reduce the time taken.

## Ceramic plates

Ceramic is microscopically smooth and durable by nature and it is one of the best materials for straightening plates. The plates glide effortlessly through your hair, giving you perfect shiny hair.

## Digital heat settings

Digital heat settings make it easy to quickly choose the function you need or adjust the styling temperature using the digital display.

This enables you to select the perfect temperature for your specific hair and needs. The result is perfect styling at the touch of a button.

## Instant heat up

The straightener has a fast heat up time, being ready to use in 30 seconds

## Safe usage

Some hair straighteners and curling irons have been equipped with an automatic shut-off feature. This feature has been designed to provide peace of mind. If left on, the appliance will automatically switch off after 60 min.

## Easy lock

Easy lock for convenient storage

## 1.8 m cord

1.8 m power cord

## Ready to use indicator

This shows when the styler has reached the right temperature, so you can instantly see when you're ready to style.

## Swivel cord

Useful swivel cord technology rotates the cord to prevent tangled wires.

## Universal voltage

Worldwide voltage for getting the perfect travel companion
