

# PHILIPS

Wet and dry electric shaver

Shaver series 7000

SkinGlide Rings

GentlePrecisionPRO Blades

SmartClick precision trimmer

S7370/22

## Smooth glide, sensitive shave

Philips' no 1 on sensitive skin\*

The Philips series 7000 protects against the key signs of skin irritation. SkinGlide rings with anti-friction coating enable the shaver to glide effortlessly across your face. Its blades cut close and protect skin, even with 3-day stubble.

### Easy to use

- Intuitive display with 1-level battery indicator
- 50 minutes of cordless shaving
- Shaver can be rinsed clean under the tap
- Comes with a 2-year guarantee

### A close and smooth shave

- Blades protect skin and cut close even with 3-day stubble

### Designed for maximum skin comfort

- SkinGlide rings with anti-friction coating for smooth glide
- 5 direction flex heads follow contours with less pressure
- Aquatec gives you a comfortable dry or refreshing wet shave

### Get the most out of your shaver

- Even-up your mustache and sideburns

# Highlights

## SkinGlide rings

Experience a more comfortable shave with anti-friction SkinGlide rings coated with microspheres. Thousands of tiny glass-like rounded spheres reduce friction and surface resistance between the shaver and the skin. This gives the shaver a smooth, easy glide and helps protect against skin irritation.

## GentlePrecision PRO blades

Our updated cutting system has skin protection technology, designed to only cut hair not skin. V shaped blades guide the skin away from the blades for a close smooth shave – even on 3-day stubble.

## 5-direction Dynamic Flex Heads

Our shaver heads flex easily in 5 directions, gently following all the contours of the face and neck. Less pressure is needed to shave closely and skin stress is minimized.

## Aquatec Wet & Dry

Adapt your shave routine to your needs. With the Aquatec Wet & Dry, you can go for a comfortable dry shave or a refreshing wet shave. You can shave with gel or foam even under the shower.

## 1 level battery indicator

The intuitive display shows relevant information, enabling you to get the best performance out of your shaver: 1-level battery indicator – cleaning indicator – battery low indicator – replacement head indicator – travel lock indicator

## 50 minutes of cordless shaving

The energy-efficient, powerful lithium-Ion battery system gives you two convenient options: Charge it for an hour for up to 50 minutes of shaving time, or a quick charge for

one full shave. All Shaver series 7000 models are designed to operate only in cordless mode to ensure safety in wet environments.

## Fully washable shaver

Simply open the shaver head to rinse it thoroughly under the tap.

## Built to last

We back this Philips shaver with a 2-year guarantee. Our Series 7000 shavers are designed for performance and durability.

## SmartClick Precision Trimmer

Refine and define your mustache and sideburns with the SmartClick precision trimmer—and complete your look with ease.
