Highlights

Adjustable settings

Unlike some other whitening systems, Philips Zoom WhiteSpeed has adjustable intensity settings and can be customized to eliminate sensitivity to maximize your comfort. In fact, over 90% of people surveyed experienced little to no sensitivity with Philips Zoom WhiteSpeed lamp.

Light-activated technology

Unlike many other systems, Philips Zoom WhiteSpeed uses a proprietary LED light to accelerate whitening for maximum results in minimal time.

Proven safe and effective

Philips Zoom WhiteSpeed lamp is backed by studies that have shown it is safe and effective for your teeth and gums. 95% of patients surveyed agree Philips Zoom WhiteSpeed lamp produces excellent results.*
