PHILIPS

Highlights

1.8m power cord length

Dryer: 1.8m power cord length

1.8m power cord length

Straightener: 1.8m power cord length

Ceramic plates

Ceramic is microscopically smooth and durable by nature, and is therefore one of the best materials for straightening plates. The ceramic plates are carefully processed to enhance the gliding and caring properties, giving you perfect shiny hair.

Handle lock

Handle lock system for easy storage.

Fast heat up time

The straightener has a fast heat up time, being ready to use in 60 seconds

Compact design

Compact and ergonomic, this hairdryer benefits from a clever modern design. This results in a dryer that is light and easy to handle yet small enough to store virtually anywhere.

Worldwide voltage

Worldwide voltage for getting the perfect travel companion

Careful drying

This compact hair dryer offers you 2 pre-selected heat & speed combinations for an easy, quick and caring blow dry.

Gentle drying power 1400W

This 1400W hairdryer creates the optimum level of airflow and gentle drying power, for beautiful results every day.

200°C professional high heat

This high temperature enables you to change the shape of your hair and gives you that perfect look you want.
