Long-lasting straight and curly styles

SalonStraight Seduce

Now you style your hair with the professional temperature of 210°C. Combining this with ultra-smooth curved ceramic plates, gives you the freedom to create long-lasting straight styles or fashionable flicks and curls.

Ease of use

- Swivel cord to prevent tangled wires
- Dual voltage for worldwide use
- Automatic shut-off after 1 hour

Beautifully styled hair

- Ceramic for ultra-smooth gliding
- For effective results without damaging hot spots
- 210°C professional temperature for long-lasting results

Versatility

- Rounded edges with guide strips for flicks and curls

Time saving

- Adjustable LCD temperature setting to suit your hair type
- Instant heat-up within 30 seconds
