HP8661/03

Easy hairstyling for all hair length

Dry & style at once - the Philips Air Styler Essential allows you to create beautiful natural styles, whilst providing care to your hair. The 3 attachments are suitable for both long and short hair, so you can enjoy easy styling.

Easy to use

- Cool air setting for gentle drying

Beautifully styled hair

- 38 mm ThermoBrush for smooth styles and waves
- 800W styling power for salon-like results
- Narrow concentrator for focused airflow
- Three flexible heat and speed settings for easy control
- 22 mm ThermoBrush for easy curling

Prevent damage

- ThermoProtect temperature setting

Highlights

800W

The Air Styler with 800W airflow for a gentle drying and styling. Achieve salon-like results every day.

ThermoProtect temperature

The ThermoProtect temperature setting provides the optimal drying temperature and gives additional protection from overheating the hair. With the same powerful airflow, you will get the best results in a caring way.

38 mm ThermoBrush

The ThermoBrush has an extra wide diameter of 38 mm. The width of the barrel makes it the perfect styling tool for creating smooth styles and waves.

22 mm ThermoBrush

The ThermoBrush has a small diameter of 22 mm. The width of the barrel makes it the perfect styling tool for easy curling.

Narrow concentrator

Use the narrow concentrator for the focused airflow for precise styling or touch-ups.

Three flexible settings

The speed and heat required can be easily adjusted to create the perfect result. Three flexible settings ensure precise and tailored styling.

Cool air setting

The Cool air setting uses low heat to gently dry your hair. It works especially well with fine, dry or damaged hair.
