Highlights

Remove unwanted hair

Easily reach and remove unwanted nose and ear hair comfortably. Ensure your nostrils are clean before use and carefully insert the trimmer inside your nose no more than 0.5cm and slowly circulate it. When trimming ear hair, ensure ears are free of wax.

Easy handling
The textured handle gives you better grip and control when using your nose trimmer for men, and the on/off switch is positioned for easy operation.

Fully washable
The best nose and ear hair trimmer is one that works with your routine. Simply rinse your trimmer after using it to keep it in optimum condition.

Lithium Battery included
Start using your ear and nose trimmer right away, with the AA battery included in the box.
