Care and protect

- Argan-oil infused ceramic plates for smooth gliding
- ThermoShield technology for less heat damage
- Floating plates for gentle styling
- 50% faster straightening**
- 2 x ionic care*** for frizz-free-shiny hair

Highlights

ThermoShield technology

ThermoShield technology lets you style with less heat damage. Its' sensor regulates the temperature so that from root to end, your hair gets the ultimate even styling it deserves.

50% faster straightening

Smooth plates help the straightener glide smoothly through the hair, so you can spend less time styling and more time enjoying the same great result.
2x ionic care

This powerful ionic system intensifies your hair's shine with 2x the ionic care per styling session. Charging you hair with millions of negative ions per cubic centimeter eliminates static, conditions your hair and smoothens its cuticles. So you can enjoy frizz-free hair with vibrant shine.

Argan-oil infused plates

The straightener uses ceramic plates infused with argan oil to make styling fast and effortless, with a gliding action that feels as silky smooth as your hair looks.

Floating plates

The advanced ceramic floating plates move to adjust the pressure on the hair. This ensures even heat and pressure on the hair for good styling performance.

Create your favourite styles

From sleek and chic straight hair to effortlessly casual waves, or head-turning curls - you can do it all. What will it be today?

Wide temperature range

Choose between temperature range from 120°C up to 230°C to secure long-lasting result while minimizing risk of hair damage.

105 mm long plates

The longer 105 mm plates enable better contact with the hair to help you achieve perfect straightening results easier and in less time.

Innovative temperature display

The unique combination of 360° temperature wheel and LED display gives you absolute temperature control.

Cool tip

The tip of the styler is made from a special heat insulating material to keep it cool; you can safely hold it while you're styling for optimal ease of use.

Fast heat-up time

The straightener has a fast heat-up time, being ready to use in 30 seconds.

Heat resistant roll out mat

The convenient heat resistant roll-out mat helps you style anywhere, it also keeps your straightener securely stored at home or while traveling.
