Click-on/click-off attachments

Just click the attachment you need onto the handle to turn it into a shaver, beard trimmer or bodygroom. Click it off again when you've finished. For a smooth face, choose the shaver. For perfect stubble, reach for the trimmer. Want to groom your body hair? Time for the bodygroom. One tool, any look.

Smooth face

Shave wet with shaving cream for extra skin protection, or dry for convenience.

Smooth face

The dual rotary razor attachment is designed for an easy and clean shave with no nicks and cuts.

Perfect stubble

Create anything from perfect stubble to a neatly trimmed beard or mustache. Simply rinse under the tap to clean.

5 different length settings

Choose from 5 length settings: 1mm for perfect 3-day stubble to 5mm for a short beard.

Groomed body

Rounded combs and pearlized tips prevent skin irritation for reliably smooth grooming all over your body.

Water-resistant

Comfortably trim and shave all your body hair, under the shower if you prefer.

Quick 1-hour charge

The powerful battery lasts up to 40 minutes after a 1-hour charge. A 5-minute charge gives you several minutes of running time, so you can quickly finish off.

Battery light

The battery light goes on to show when the battery is low, charging or full.

Built to last

All of our shavers come with a 2-year worldwide guarantee and can adapt to any voltage. The trimmer blades never need to be oiled. The long-lasting blades only need to be replaced after 2 years. You should replace the bodygroom's shaving foil every 12 months.
