Highlights

NutriU app

Download and discover the NutriU app with +200 ideas on how to make your favorite drinks, meals and snacks with the help of your new blender. Healthy cooking should be simple and leave your family wanting more. That is why the NutriU app offers a variety of healthy alternatives of your favorite dishes. From healthy chocolate desserts to nutrient-packed main meals, we create our recipes healthy but without compromising on delicious taste.

Ice crushing

Use the ProBlend system plus the Pulse setting to crush ice cubes into fine pieces in just 45 seconds**. Perfect for your favorite chilled drinks and smoothies, and great for special desserts.

ProBlend system

Unique ProBlend system perfectly combines 3 technologies, custom-designed to ensure smooth blending with no lumps in just 45

seconds*. The 450W power motor drives the blending flow to circulate all your ingredients evenly, while the innovative blade design is specially shaped to maximize the cutting area. Last but not least, the jar is designed with unique ribs to continuously guide ingredients back into the blending flow.

Motor Thermo Protection sensor

Special Motor Thermo Protection (MTP) sensor is designed to prevent the motor from overheating and protects from over-current condition during use.

Considered design

The design has been carefully considered to be both ergonomic and robust, while also being modern and stylish, sized to fit in all types of kitchen. The jar shape is comfortable to grip and the rotary knob enables easy operation.

Grinder mill accessory

The new 4 star blade mill grinds efficiently, being up to 3 x times faster. Perfect for

grinding coffee, nuts, herbs and spices into the fine consistency you need.

Warranty

For additional peace of mind, the blender comes with a 2-year warranty.

Anti-vibrate feet

The blender features suction feet for stability and to ensure it doesn't vibrate during use.

1.9L family size jar

Serves up to 5 drinks (based on 200ml glass size) thanks to 1L effective capacity.**
