Highlights

Daily personalized inspiration

Find hundreds* of tasty meals that you can cook with your Airfryer, paired with the NutriU App. The more you use NutriU, the more personalized recommendations you get. You can easily download our NutriU App from the Google Play Store or Apple Store and then pair it to your Airfryer.

Tasty Airfryer recipes

Discover hundreds* of mouthwatering Airfryer recipes that are tasty, healthy, and convenient to make. Most recipes in the NutriU App are curated by nutritional experts for everyday cooking.

Step by step guidance

Unleash your inner chef and dare to cook a variety of meals that are tasty and healthy. The NutriU App will guide you every step of the

way so that you can make homemade meals that you and your family love, every day.

Select, set & relax

Choose a recipe, send it to the Airfryer, and monitor the progress of your cooking – from the comfort of your couch. When your dish is done, you will receive an alert.

Amazon Alexa compatible

Voice control enabled, compatible with Amazon Alexa.

Rapid Air technology

Rapid Air Technology, with its unique “starfish” design, swirls hot air to create delicious foods that are crispy on the outside and tender on the inside, with little to no added oil.

HD9280/91

Air is the new oil

The Philips Essential Airfryer uses hot air to cook your favorite foods to crispy perfection, with up to 90% less fat***.

The No.1 low-fat fryer****

Philips is the world's leading low-fat fryer brand****. Our team of experts have been perfecting the Airfryer technology for over 10 years.

XL Size. For the whole family

The Philips Airfryer XL is designed with your family in mind. The 1.2Kg capacity basket, combined with the 6.2L pan, help you cook a variety of meals. Make up to 5 meal portions in one go for your family and friends.

Touch screen with 7 presets

Touch a button and cook. Preset programs include frozen snacks, fresh fries, meat, fish, chicken drumsticks, cake and even grilled veggies.

Keep warm function

Enjoy your meal whenever you're ready. Hit the Keep Warm mode, and your food will stay at the ideal temperature for up to 30 minutes.
