# Highlights

## Professional styling temperatures

Professional temperature for perfect and long-lasting results

## Ceramic coating

The smooth ceramic coated plates prevent damage to your hair during styling.

## Swivel cord

Useful swivel cord technology rotates the cord to prevent tangled wires.

## Easy release buttons

Easy release buttons for changing attachments

## Straightener

With the straightening attachment you can create the poker straight style you want.

## Slim styler

With the slim styling attachment you can create fashionable twists and flicks.

## Detail styler

With the detail styling attachment you can style your hair from the roots and create volume in layered styles.
