Cordless epilator with active massage

First cordless epilator with ceramic epilation system and active massage.

Cordless epilation, anywhere!

- Charging stand included

Fast and efficient epilation

- Ceramic epilation system

For extra hygiene

- Washable epilation head for extra hygiene and easy cleaning

Minimises pulling sensation

- Active massage system to minimise pain of epilating

Highlights

Ceramic epilation system

This epilator has a unique ceramic material and ergonomic shape, for up to 20% faster* epilation. *compared to Philips Satin Ice.

Active massage system

The Satinelle ice has an active massaging system. This relaxes the skin, softening the pain of epilating. The result is a gentler, more comfortable epilating experience.

Washable epilation head

Washable epilation head for extra hygiene and easy cleaning

Charging stand included

Cordless epilation, anywhere!
