Effortless manoeuvring

- Rotating hose connection for easier manoeuvring

Enjoy more silent cleaning

- Exceptionally silent bagless — only 76 dB

Helps to prevent strain on wrists

- Ergonomically designed ComfortControl handle

PHILIPS

Highlights

ComfortControl handle

This ergonomically designed handle helps to prevent strain on wrists. It offers effortless single handed manoeuvring. Enjoy easier cleaning.

Fingertip controls

Via the buttons in the handle you can easily operate your vacuum cleaner — without bending!

Rotating hose connection

This hose has a pivoting connection to the handle and therefore allows for easier manoeuvring and less wrist strain.

Outstanding cleaning power

Very efficient 2000 Watt motor, generating a suction power of max. 375 Watt.

Filter-cleaning system

Effortlessly maintain optimal suction power by unclogging the filter without touching the dust.

Exceptionally silent

The sound level of this product is very low within its category.
