# Highlights

## Large coffee pod variety

With more than 250 years of experience, Douwe Egberts knows exactly how to roast and grind carefully selected coffee beans for the best taste. Therefore Douwe Egberts SENSEO® coffee pod varieties represent the finest coffee selection as a guarantee for premium taste. The different blends and flavours ensure a wide range of choice for different moments and tastes.

## Delicious coffee foam layer

The fine Douwe Egberts SENSEO® coffee selection and the unique SENSEO® brewing system make sure that your perfect cup of coffee always comes with a rich and delicious coffee foam layer - proof of premium taste and quality.

## Two cups in less than a minute

With the SENSEO® coffee maker you can have your perfect cup of delicious, freshly brewed coffee in

approximately 30 seconds and two cups in less than a minute.

## One button operation

Brewing your perfect cup of coffee has never been so simple. You can easily select the number of cups by choosing between the 1 cup or 2 cup buttons of your SENSEO® coffee machine.

## Removable water reservoir

The removable water reservoir of the coffee machine can accommodate 6 cups of coffee and therefore allows for fewer refills.

## Automatic shut-off

With this function, your SENSEO® coffee machine automatically switches off after 60 minutes, allowing you to save energy.
