Highlights

Pressurised Crema filter

This special Crema filter guarantees a long-lasting, delicious Crema — whatever coffee blend you may choose.

15 bar pump

High pressure ensures that the entire aroma of the ground coffee is always fully extracted

Ground coffee and pods

For your convenience you can choose between ground coffee and pods

Long-lasting premium materials

The Saeco Manual Espresso machine features high-quality and durable housing material.

Cup holder

With this practical feature you can store your espresso cups and glasses right on the espresso

machine - always within reach and conveniently stored without taking up space.

Ergonomic in day to day

For refilling the coffee powder or water, or emptying the filter or the drip tray, all compartments are directly accessible for maximum convenience.

Classic milk frother

This Saeco espresso machine comes with the classic milk frother that baristas call a "Pannarello". It dispenses steam and is immersed in milk to prepare gorgeous milk foam. Unleash your inner barista by preparing your delicious milk specialties the traditional way!
