High suction power

With 2000W motor for great cleaning results

The Philips PowerGo vacuum cleaner delivers 2000 W of cleaning performance with a multi-purpose nozzle for any type of floor. Keep the air in your home clean and healthy, too, thanks to our Super Clean Air filter.

Superior performance

- Multi-purpose nozzle for great cleaning on different floors
- 2000W durable motor for high suction power
- Super Clean Air filter system captures >99%* particles

Effortless cleaning

- Long 9-meter reach goes further without unplugging
- Adjustable suction power for every cleaning task
- Easy long-lasting bags fit into large 3-liter dust chamber
- Onboard tool is conveniently stored so it's always to hand
- Compact and lightweight for easy carrying

PHILIPS

Highlights

Durable 2000W motor

Durable 2000W generates strong suction power for great cleaning results.

Compact and lightweight

Compact and lightweight design ensure both storing and carrying the vacuum is easy.

Long 9-meter reach

9-meter reach from plug to nozzle allows longer use without unplugging.

Super Clean Air filter

Super Clean Air filter system captures >99%* of small dust particles, releasing cleaner air in your home.

Handy onboard accessories

Crevice tool is integrated into the vacuum so it's easily accessible to use any time you need.

Long-lasting 3L s-bags

Large 3-liter dust chamber and long-lasting universal bags allow optimum suction power until full, plus sealed, mess-free disposal.

Multi-purpose nozzle

Multi-purpose nozzle can be easily adjusted using the foot pedal, for optimal use on hard floors or carpets.

Adjustable suction power

Choose the right level of suction for any cleaning task and every surface in your home.
