- Soft grip for lasting ironing comfort

Safe ironing

- Drip-stop system keeps your garments spotless while ironing

Longer lifetime

- Double Active Calc System prevents scale build-up

Auto Energy Saving

- Automatic Energy Saving

Easily removes creases

- Continuous steam output up to 40 g/min

PHILIPS

Highlights

Drip-stop system

Your Philips steam iron's Drip-Stop system lets you iron delicate fabrics at low temperatures without having to worry about stains from water droplets.

Double Active Calc System

The Double Active Calc system of your Philips steam iron prevents scale build-up through anti-scale pills and an easy-to-use calc clean function.

Auto Energy Saving

Automatic Energy Saving. The innovative feature in the Philips steam iron makes sure you get 100%

steam power to remove creases thoroughly. At the same time, it saves energy automatically, because it eliminates wasted steam.

Soft grip

The soft handgrip of this Philips iron allows for comfortable ironing even during longer sessions.

Up to 40 g/min of steam

The Philips steam iron with continuous steam output of up to 40 g/min gives you the perfect amount of steam to efficiently remove all creases.

Steam boost up to 120 g

The steam boost can be used for vertical steaming and tough creases.
