# Highlights

## Large blade surface

Large blade surface ensures that larger area of the garment is covered at the same time, hence less strokes are needed to make your garment look new again

## Specially designed shaving head

Due to the three different hole sizes, all sizes of fabric pills will be drawn into it and effectively removed from the fabric.

## 8800 rounds/min blade rotation

Blades rotate up to 8800 rounds/min for effective and quick removal of the fabric pills from your garments

## Extra safety

The blades of the fabric shaver will automatically stop rotating when the cap is removed. This way you will avoid damaging yourself or your garments accidentally.

## USB rechargeable battery

Recharge your Fabric Shaver any time with USB charging cable.

## Large removable pill container

The container, where the shaved off pills are stored, is easy to remove and empty.

## Extra pill brush

The extra pill brush will lift fibres so that even the most stubborn pills can be removed.

## Cleaning brush

The cleaning brush helps to easily clean your appliance after use. Please follow the quick start guide included in the packaging to clean the appliance.

## Cadmium-free battery

The battery of your Philips appliance is cadmium free, which makes it a safer choice for the environment.
