generator iron

Refurbished product

Max 5.3 bar pump pressure
Up to 250 g steam boost
1.5-l water tank capacity

GC7805

Iron faster with 2 x more steam*

Our most compact steam generator

Powerful, continuous steam makes fast work of all your ironing, without any need to adjust temperature thanks to our OptimalTEMP technology. Compact and lightweight for easy use and storage.

Compact technology

- Large tank for long use
- Lightweight and compact for easy use and storage
- Carry lock for safe and easy transport

No temperature setting needed; no burning, guaranteed

- Independently tested and approved
- Safe on all ironable garments, guaranteed not to burn
- OptimalTEMP technology, no temperature settings required

Fast ironing with continuous powerful steam

- Save energy with ECO mode
- Calc-clean container included - no cartridges, no extra cost
- Scratch-resistant SteamGlide soleplate provides good gliding
- Powerful steam for ultimate crease removal

PHILIPS

Highlights

No temperature setting needed

Iron everything from silk to jeans without adjusting the temperature. Thanks to OptimalTEMP, no dial or settings are needed. So there's no more pre-sorting the laundry, or waiting for the iron to heat up and cool down. You're ready for any fabric, any time.

No burns – guaranteed

Thanks to OptimalTEMP technology, we guarantee that this iron will never cause burns to any ironable fabric. You can even leave it resting face down on your clothes or ironing board. No burns, no shine. Guaranteed.

Approved by experts

The Woolmark Gold seal of approval ensures a product is safe to use on any and every wool fabric. Our steam irons with OptimalTEMP technology are the first and only irons, from any brand, to earn this level of certification.

SteamGlide soleplate

Our special SteamGlide soleplate smoothly glides over any fabric. It's also non stick, scratch resistant and easy to clean.

Ultra-powerful steam

Strong, continuous steam tackles even the thickest fabrics with ease. Watch stubborn creases melt away with an extra steam boost just where you need it. This extra steam is perfect for vertical steaming to refresh clothes and curtains, too.

Smart descaling

Our built-in descaling system, Smart Calc Clean, reminds you when you need to descale. It also includes a container to make descaling easy. This means no cartridges are required and there are no additional costs.

Energy saving

Save energy and get the same great results. ECO mode reduces your energy consumption for garments that require less steam.

Compact and convenient

The lightweight, compact size is perfect for storage and fits conveniently on your ironing board. Exclusive ProVelocity technology makes our steam generators smaller and more compact than ever.

1.5 L water tank

A 1.5 litre transparent tank gives you 1.5 hours of continuous use. See clearly how much water is left and refill easily under the tap through the large filling door.

Specifications

Calc management

- Calc clean solution: Demineralised water

Storage

- Carry lock: For transportation and safety
- Cord storage: Velcro fix
- Hose storage: Hose storage compartment

Easy to use

- Water tank capacity: 1500 ml
- Safe on all ironable fabrics: Even delicates like silk
- Soleplate gliding performance: 4 stars
- Safety auto off
- Soleplate name: SteamGlide
- Cord freedom (swivel): 180 degree cord freedom
- Refill anytime during use
- Tap water suitable
- Power cord length: 1.8 m
- Hose length: 1.6 m
- Integrated power plug
- Precision steam tip
- Ready to use: Light indicator, Sound indicator
- Soleplate scratch resistance: 4 stars

Accessories included

- Calc clean container

Guarantee

- 2 year worldwide guarantee

Technology

- OptimalTEMP technology
- For all ironable fabrics
- No burns

- No temperature settings needed
- ProVelocity steam engine
- Smart Control Processor

Fast crease removal

- Pressure: max 5.3-bar pump
- Power: 2400 W
- Continuous steam: Up to 120 g/min
- Steam boost: Up to 250 g
- Vertical steam
- Voltage: 220-240 V
- Variable steam levels
- Ready to use: 2 min
- Steam-on-demand

Green efficiency

- Energy saving mode
- Energy saving*: 30 %
- Recycled plastic used: 30 %
- User manual: 100% recycled paper
