# Highlights

## Automatic frothing system

The automatic milk frother of your SENSEO® Latte Select coffee machine allows you to prepare various coffee specialties with freshly frothed milk with a rich milk foam layer.

## Dual heating system

The dual heating system of your SENSEO® Latte Select coffee machine allows you to heat milk and coffee at the same time. This shortens the preparation time and lets you enjoy your delicious coffee specialty longer.

## 1 or 2 cups at a time

With your SENSEO® Latte Select coffee machine you can brew 1 or 2 cups of black coffee or 1 coffee specialty with milk at a time

## Delicious coffee foam layer

The fine Douwe Egberts SENSEO® coffee selection and the unique SENSEO® brewing system make sure that your perfect cup of coffee always comes with a rich and delicious coffee foam layer - proof of premium taste and quality.

## Adjustable cup tray

The adjustable cup tray of your SENSEO® Latte Select coffee machine accommodates different cups sizes, from short Cappuccino cups to tall Latte Macchiato glasses

## Coffee milk specialties

With Philips SENSEO® Latte Select you can prepare delicious Cappuccino, Latte Macchiato or Café Latte with rich and harmonious flavour thanks to a perfect balance of coffee, water and milk. It is time to treat your senses to the fullest!

## Large coffee pod variety

With more than 250 years of experience, Douwe Egberts knows exactly how to roast

and grind carefully selected coffee beans for the best taste. Therefore Douwe Egberts SENSEO® coffee pod varieties represent the finest coffee selection as a guarantee for premium taste. The different blends and flavours ensure a wide range of choice for different moments and tastes.

## Easy-clean function

With the Easy-Clean function you can remove milk residues from your machine in a fast and comfortable way. It also indicates when cleaning or decalcification is required.

## Removable fresh milk container

The removable SENSEO® fresh-milk container allows quick refills and easy cleaning.

## Volume select

The Volume Select function allows you to choose the desired amount of either black or specialty coffee.
